I understand from Aurora that you will be meeting with the Mayor of Buenos Aires on Wednesday regarding the proposed ordinance which has been passed by the City Council.

I have discussed the assertion made by the Mayor in the press interview (12 de junio) with Tony Andrade and attach the following points for your review and consideration.

We also have made a recommendation regarding the proposed establishment of the review board on the "toxicity" of cigarettes for your consideration.

Both Tony and I are available on Wednesday, so please don't hesitate to contact me if necessary at (212) 878-2770.

Best wishes,

Jan Goodheart
